

Press Release

December 8, 2007

This morning the Riley County Fraternal Order of Police Lodge #17 held its annual Shop with Cop.

Shop with Cop was started in the Manhattan, Ks. Area by the Riley County Fraternal Order of Police Lodge #17 in 1990, which means this was our 17th annual event. This program pairs up children who could use assistance with a police officer, or police employee and they go shopping. The funds for the shopping spree are received from donations received from the Manhattan Area Community. This year as in years past the Manhattan Wal Mart Employees and Wal Mart made a large donation to support the event.

Event Chairman Darla King said donations allowed 107 children in the Manhattan area to have a brighter Christmas.

Donations are still accepted and can be sent to:
